Has been assessed by ECA for SVHC list (as updated on January 21, 2025) compliance based on information provided by the customer. Product complies with the applicable EU REACH Regulation (EC 1907/2006) as confirmed by the organization on Declaration of Conformity. This certificate applied only to those products as described in report / technical file TF-01.

The articles in question comply with the requirements of the current SVHC list, in that they do not contain SVHC at levels greater than 0.1% w/w. Any subsequent variation in the production of this article/product (this includes changes in raw materials, chemicals usage or processing), invalidates this assessment/certification. This certificate is also invalidated as soon as the new version of the SVHC list comes into force.

This Certificate is issued under the following conditions:

1. The Certificate validity is conditioned by the positive results of the surveillance audits.
2. The modifications to the technical file should be first submitted to the Third Party Inspection Authority to ensure further validity of this attestation.
3. After fulfilling the relevant EU legislation requirements, the manufacturer is obliged to issue Declaration of conformity according to the basic requirements of relative directives and place the REACH marking with his own responsibility as follows:

This Certificate of compliance is for the exclusive use of ECA's client and is provided pursuant to the agreement between ECA and its Client. ECA's responsibility and liability are limited to the terms and conditions of the agreement. ECA assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Certificate of compliance. Only the Client is authorized to permit copying or distribution of this Certificate of compliance. Any use of the ECA name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by ECA. As applicable, the observations and test/inspection results referenced in this Certificate of compliance are relevant only to the sample
